**Labor mistakes can be
very costly. Come hear the
best agricultural labor
information available
from the experts!**

In the past year, there have been many important changes that impact agricultural labor, farmers and agribusinesses.

Avoid mistakes that can result in fines, penalties & lawsuits.

Come and learn from some of the most knowledgeable agricultural labor experts in the country. **You will not hear this information anywhere else !!!**

Please register today to attend this year's Mid South Agricultural Labor Seminar on Thursday, February 22, 2024 in Port Allen, LA.

**REGISTER TODAY AND GET YOUR
QUESTIONS ANSWERED BY THE EXPERTS!**

Comments from Previous Seminar

"I was unaware of these H-2A changes, thank God I attended this Seminar!"

"I look forward to this Seminar every year. Every farmer, manager and office secretary should really attend this meeting."

"This is the best, most informative meeting I attend every year!"
