## *Farmers and Agribusinesses*

*On Wednesday, February 23, 2022, the Mid South Agricultural Labor Seminar returns with an in-person Seminar to provide you the latest information on agricultural labor issues. This Seminar continues to be the best forum in the state to get your labor questions answered by some of the best ag labor experts in the country.*

*Issues that will be discussed at this year's Mid South Agricultural Labor Seminar include:*

- 1. OSHA Heat Illness Proposed Rule*
- 2. H-2A Adverse Effect Wage Rate Proposed Rule*
- 3. H-2A Visa Fee Increases*
- 4. H-2A Abscondments and how Transfer Petitions are being used to poach a farmer's H-2A workers*
- 5. H-2A Harvest Truck Driver Lawsuit seeking higher wages and overtime pay*
- 6. Farm Workforce Modernization Act legislation and other legislative issues*
- 7. H-2B legislation to shift certain segments of agriculture to the H-2A Visa Program*
- 8. U.S. COVID vaccination entry requirements for H-2A, H-2B Visa workers.*

**Get your questions answered by the experts!**
