

Women's Leadership Committee

The Women's Leadership Committee works year-round to educate consumers on the importance of agriculture while actively engaging in statewide commodity promotion.

Each year the committee spearheads special projects such as National Food Checkout Week, Hunger Awareness Month, Farm-City Celebrations and other commodity promotional events. Parish committees also work at the local level to bring nutritional awareness to consumers.

For information on youth contests, including applications, entry forms or rules and regulations, visit our convention page or contact your parish Farm Bureau office.

Dr. Julie Baker Richard is the assistant director of field services. She coordinates the Farm Bureau Women's Leadership Committee activities. Dr. Richard can be contacted by e-mail or phone at 225-922-6213.
